DELCREDIT España S.A.: Mónica Carrascal appointed new Managing Director

As of 1 January 2023, Mónica Carrascal Rioja is the new Managing Director of DELCREDIT España S.A., a subsidiary of EDE International and the Spanish purchasing association CECOFERSA. With her appointment, Monica Carrascal replaces Rafael Martín Alfonso, who will take over the position of Advisor to the Board of Directors of DELCREDIT and CECOFERSA.

"We are pleased to have gained Mónica Carrascal, a long-standing CECOFERSA employee, and thus to be able to ensure a smooth transition of the management of DELCREDIT España S.A.", says Annegret Franzen, CEO of EDE International AG.

In 2007, Mónica Carrascal joined CECOFERSA as Head of Purchasing and in this position made a valuable contribution to the organisation on both the supplier and member side. Annegret Franzen: "We thank Mónica Carrascal for her dedication and are sure that she will now apply this energy equally to our subsidiary. At the same time, we thank Rafael Martín for the ten years of joint cooperation." Since the foundation of DELCREDIT España in 2012, he has been largely responsible for its excellent development in Spain and Portugal. "We are pleased that Rafael Martín will continue to be available as an advisor to the Board of Directors in the coming months and will thus pass on his experience to the new Managing Director," says Annegret Franzen.

Strong cooperation on the Iberian Peninsula

Since March 2022, **EHLIS AG** has held the majority shares in **CENTRAL DE COMPRAS Y SERVICIOS PROFESIONALES S.A. (CECOFERSA)**. This has created the **strongest association** in the B2B / DIY sector on the Iberian Peninsula with around 1,800 sales locations and its own central warehouse at the company's location near Barcelona as well as further warehouse and service locations in Barcelona, Madrid, Valencia as well as on Mallorca and Tenerife. In order to be able to supply the members of the new constellation with goods even faster, another logistics centre is currently being built near Madrid on a floor space of around 60,000 square metres.
